HILS Update

November was a busy month for the team with the successful running of The European Trauma 4 day course and Basic Surgical Skills.

The team were well represented at the recent Associated Simulation Practice in Healthcare (ASPiH) conference in Bristol where they presented their work and research through posters, oral presentations and workshops. Congratulations to our own Director of Simulation, Dr. Makani Purva who was elected as the next President of ASPiH.

We are currently working on putting together an exciting programme for our first annual Simulation Partnership for Advancing Regional Knowledge (SPARK) conference. We have already secured keynote speakers and will be launching the programme following the Christmas period. The event will take place at the Hull Clinical Skills Centre on Tuesday 23rd May 2017—please be sure to save the date!

In November the team ran the MRCP PACES Examination at Castle Hill Hospital and received very positive feedback both from Faculty and Delegates. The next PACES Course is set to run on 11th and 12th of February 2017. The team also assisted in the organisation and smooth running of the Trauma and Orthopaedics MOCK FRCS Examinations which took place at Hull Royal Infirmary on the 25th November 2016.

The 6th Annual HEAT Event planning is well underway and will be taking place on Friday 5th May 2017 at the Medical Education Centre. The programme will focus on ‘Leadership - Opportunities for Excellence’. Submission of abstracts for poster presentations is now open, for more information please email—danny.murphy-pittock@hey.nhs.uk.

We would like to take this opportunity to advise all of our colleagues and customers that we will close on Friday 23rd December and will reopen on Tuesday 3rd of January 2017.

We would like to wish you all a Merry Christmas and Best Wishes for 2017.

From the Medical Education Team

Highlights

- HILS were finalists at the Hull Health Care awards hosted by The Hull Daily Mail.
- MEC will host a CMT careers evening in January 2017. Email; Nikki.holmes@hey.nhs.uk for information.
- We are now accepting nominations for the following awards which will be awarded at the HEAT conference;
  - Junior Doctor of the year
  - Educational Supervisor of the year
  - Simulation champion 2017

Julie Lang

It is with deep regret that we report the loss of a dedicated member of our team.

Julie sadly passed away in October 2016. She will be sadly missed by all of her colleagues within the trust, but always remembered.

Staffing

- Welcome to Cameron Clark, who was recruited temporarily in November and is working as a Technician Assistant within the department.
- The team welcomed back Claire Clarke to Clinical Skills following her maternity leave.
- Good Luck and a temporary Farewell to Faye Lamingman who is soon to be married and explore the world with her new husband.
